COMMANDERS CORNER

Happy mid-summer all. I hope you all are well and healthy.

It's been a busy July for our Post family. We participated in the Fox Lake 4th of July parade. Thank you to our Legionnaires, Auxiliary, SAL, and Riders who were there. A special thank you to the Lake County Young Marines who participated as well.

I attended the DPT of IL Legion Convention, which was held 14-17 July, in Springfield, IL. Of note was 10th District's own Wayne Fischer, who was elected to be the new DPT of IL CDR for 2021-2022 membership year. Congratulations Commander.

Our Post is starting to become more active. Hall is being rented for various events. Bar will have a band on August 7th, 3pm-6pm, then POWW will be in the hall that evening.

Bingo, on Thursday nights, is becoming very busy. Our Auxiliary is doing very well.

Our kitchen is happy to announce they are serving breakfast the 3rd Sunday of each month from 10am-1pm. The next breakfast will be September 19th.

Our building manager, Bill Fedderly, is looking for a general janitorial/maintenance person to help him. If anyone is interested, please call the Post.

Lastly, I would like to congratulate all the newly elected Officers of our Post family. I look forward to working with all of you.

Veteran Service Officer

Greetings Legion Family and Friends,

The month of July has been extremely busy with assistance requested for 10 Veterans' funerals. We said farewell to 3 of our fellow Legionnaires that have reported to Post Everlasting. I also assisted 7 other Veterans families with obtaining proper military honors for their deceased loved ones.

On behalf of the families of: Past Cdr, Robert Peczkowski, Legionnaires Keith Koestner, and Richard Bublitz, I wish to thank the various members of our Legion Family and Buglers Jim Reynolds and Gary Stoodly of Bugles Across America that attended and supported the Blue Cap Services.

It needs to be noted and inform all who use the VA Facilities, regardless of the location, that effective immediately only the face masks issued at the entrances to facilities will be authorized to be worn while at the VA facility. Your personal "designer/logo" masks will not be allowed while you are inside the facilities.

Should you need VA assistance or guidance please contact me by calling/texting at 847-691-5990 or email at smaj37@gmail.com. Please do not IM me as I do not check that media regularly.

I may not have the answers you need but will definitely connect you with the experts that can. No Veteran is turned away....
